Providence Schools

School Board Meeting September 2026

Excellent Instruction. Every Classroom. Every Day.

Guardrail 1.1 - MLL Enrollment in Advanced Academics

The Superintendent will increase the percentage of MLL students enrolled in advanced academics from 20% in June 2025 to 35% by June 2030.

Target Data Update Date:	Sep 2025	Sep 2026
*The percent of advanced academics who are MLL	21.35%	21.6%

*We are currently in the process of filling additional Advanced Academics seats and expect this number to change in the coming weeks - Percentages as of 9/9

Guardrail 1.2 - DAS Enrollment in Advanced Academics

The Superintendent will increase the percentage of students with IEPs enrolled in advanced academics from 3.5% in June 2025 to 10% by June 2030.

Target Data Update Date:	Sep 2025	Sep 2026
*The percent of advanced academics who are DAS	4.1%	4.29%

*We are currently in the process of filling additional Advanced Academics seats and expect this number to change in the coming weeks - Percentages as of 9/9

Guardrail 1.3 - Disproportionate Subgroups

The district will reduce the number of student subgroups who are disproportionately represented in each school from 46% in June 2025 to 36% in June 2030.

Target Data Update Date:	Sep 2025	Sep 2026
The percentage of student subgroups who are disproportionately represented in each school.	46.8%	44.5%

Goal 5 - Civic and Global Competence to Enhance Social Emotional Learning (Action Civic's Project)

The percentage of students who graduate demonstrating proficiency on the Portrait of a Graduate Civic and Global Engagement Rubric will increase from 0% in June 2028 to 30% in June 2030.

Target Data Update:	**2025-2026**
11th Grade	**79.5%****

**These numbers represent the current percentages of students who have demonstrated proficiency on the Action Civics Project. As the first class required to demonstrate proficiency has not graduated yet, this represents only the current percentage of students with the project completed. Students will have additional opportunities to meet proficiency before graduation.

Goal 5.1 - Training and Implementation Steps

The percent of social studies and civics teachers in the middle and high schools trained on Portrait of a Graduate Rubrics will increase from 0% in June 2026 to 60% in June 2027.

Target Data Update:	**SY 2026-2027**
Percent of Civics Teachers Trained	N/A**

**The Director of Social Studies and Civics will be conducting training with every Civics teacher during Departmental Planning Time in the Fall of 2026
**Portrait of a Graduate was reviewed with principals during the principal meeting on 9/16
**All Principals will receive professional development on PPSD Portrait of a Graduate during the October Principal meeting
**PPSD is submitting a grant application to Nellie Mae to support with the PoG roll-out
